Detailed description of project						Type of services provided		
<p>In this project, a national curriculum for the training of paralegals has been established and implemented. This was done on the basis of three activities:</p> <ol style="list-style-type: none"> 1. The design and establishment of a national curriculum for paralegals 2. The harmonization and development of training materials and didactic skills of the trainers 3. The training of paralegals <p>Throughout the project, all activities have been carried out by the Malinese stakeholders to ensure maximum ownership and induce cooperation between the various Malinese stakeholders. International input was limited to technical assistance and advice by a CILC legal reform consultant and by one Southern expert.</p> <p>Their role was to add an international perspective to the Malinese effort and to ensure adequate project progress.</p>						<ul style="list-style-type: none"> - Support by experts in designing the national curriculum - Support to the harmonization and development of training materials - ToT - Training of paralegals
