Detailed description of project							Type and scope of services provided	
<p>Overall objective: The overall objective of the project is to provide decision makers in the EU with input for a coherent proposal to support a project related to addressing the trafficking along the Heroin Route from/to Afghanistan. This involves defining the structure and main features of the project, conduct all required tasks and produce the necessary documents for allowing full Identification and Formulation of the project.</p> <p>The purpose of the assignment is to prepare all the necessary elements of an Action Document to implement an EU project developed on the basis of this assignment as well as all the necessary elements of a contract to implement the project.</p> <p>The project results include the following:</p> <ul style="list-style-type: none"> • A brief inception report, setting out the main tasks and the timetable. The inception report shall include a detailed programme for the implementation of the assignment and shall be submitted two weeks after the commencement of the assignment; • comprehensive mapping of existing interventions, indicating the possible area and added value for an intervention in the context of IcSP (findings, conclusions and recommendations including options for the proposed action); • An Action Document¹ for the future action • The ToR/Description of Action, on the basis of the agreed Action Document, and depending on proposed implementation modality for the action as per the models outlined in PRAG • A final ToR / Description of Action taking into account of the consolidated comments on the initial drafts and any further comments made during the third phase; • A brief final report outlining the main results of the assignment, list of missions/meetings, etc <p>The project commenced on 19th September 2014 with a kick off in Brussels. The inception phase and the mapping exercise were conducted successfully all reports were delivered on time. The project is now on the 2nd phase in which the Action Document is being formulated.</p>							<ul style="list-style-type: none"> • Project and financial management • Logistical and financial support in organising consultant's missions • Quality control • Recruitment of short term experts <p>CILC provides one KEs for 106 days each.</p> <p>CILC staff involved will be a Project Manager (30 working days) and controller (8 working days)</p>
