Detailed description of project						Type and scope of services provided		
<p>The <b>overall objective</b> of this three-year project was to strengthen the independence and integrity of the Judiciary in Morocco and to contribute to strengthening the Rule of Law.</p> <p>The <b>specific project objective</b> was to enhance the capacity of the L'Amicale Hassania des Magistrats Marocains (AHMM) on organizational and technical levels, as well as its national and international activities. This allowed the AHMM to play its important role in protecting the independence and accountability of the Moroccan Judiciary.</p> <p>The project endeavoured to achieve a Moroccan Judiciary that is more accountable and strong, independent, objective and efficient. The project aimed to contribute to these goals through strengthening the organisation of the AHMM itself, and by increasing its visibility and influence. Several conferences were held in the field of civil and criminal juvenile justice; the relation between the Judiciary and the mass media; and the training systems for magistrates and the challenges of continuous and on the job training in Morocco and The Netherlands. Next to these conferences, several seminars and working meetings were organised. These seminars focused on Family Law (in particular on the cooperation between family law judges); judicial deontology and ethics; the Dutch system of press judges and press public prosecutors and the relation between the media and the Judiciary.</p>						<ul style="list-style-type: none"> <li>• Analysis of the technical and structural needs of the AHMM</li> <li>• Technical assistance and training of staff members of the AHMM, based on needs analysis</li> <li>• Technical assistance to regional AHMM offices</li> <li>• Organisation and planning of thematic conferences and seminars</li> <li>• Exchange of expertise between Moroccan and Dutch judges</li> <li>• Strengthening visibility and lobbying techniques</li> <li>• Judicial cooperation</li> <li>• Institution and capacity building</li> <li>• Expert advice</li> <li>• Publication of materials</li> </ul> <p>CILC staff consisted of a Project director (111 working days), Project officer (77 working days) and Financial Controller (12 working days).</p> <p>CILC provided a pool of short term experts as follows: Judicial spokesman (14 working days), Family law experts (26 working days), Capacity building experts (38 working days) and a Judicial reform expert (22 working days).</p>
